FREE AND AUTOMATIC
WARRANTY EXTENSION ⁽¹⁾

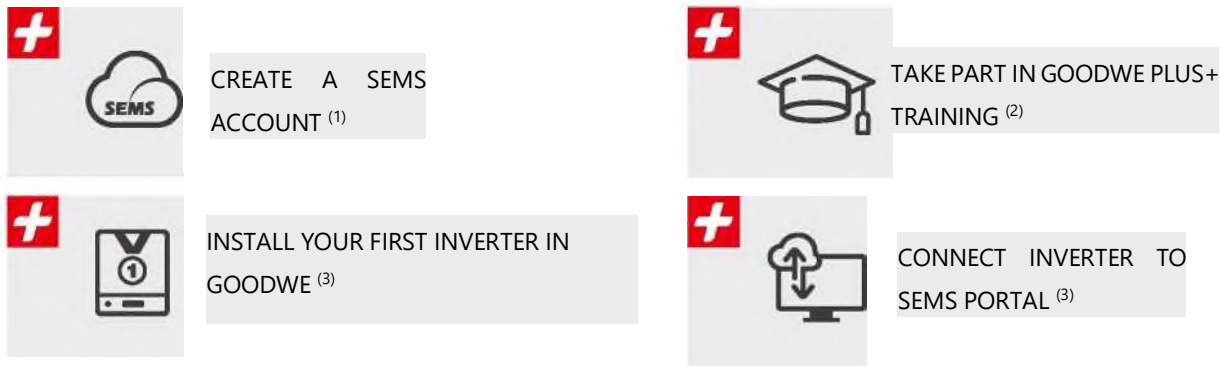

UNIQUE AFTER-SALES AND
WARRANTY BENEFITS ⁽²⁾

- (1) Extend the warranty from 5 to 10 years on all grid-tied inverters up to 20 kW that are installed in the EU, UK, Norway or Switzerland and that are connected to the SEMS Portal.
- (2) Please visit our website: <https://pl.goodwe.com/gwarancja.asp> for all warranty support information.

Who can access GoodWe PLUS+?

All electrical and solar installation companies in the EMEA (Europe, Middle East, Africa) region.

How to become a "GoodWe PLUS+ Installer"?

- (1) Visit www.semsportal.com or download the SEMS app to your device. If you already have an account with SEMS, you do not need to create a new account.
- (2) Contact GoodWe or your local distributor to reserve a seat at one of our training sessions.
- (3) Only those installations that are constructed and connected to the SEMS Portal beginning in October 2020, after receiving the appropriate GoodWe PLUS+ training, can participate in the program.

| We invite you to our training for GoodWe PLUS+ installers

In order to obtain the title of GoodWe PLUS+ Installer and take advantage of many additional benefits, we cordially invite you to participate in our training series. The interactive webinar-based training is focused on practical skills and tailored to the needs of installers in their daily work.

The training cycle consists of 3 modules, participation in which is mandatory:

- Module 1: Product portfolio and applications
- Module 2: Commissioning and monitoring
- Module 3: Troubleshooting and servicing
