

SolarEdge Kabel-Set Tower/Tower IAC-RBAT-5KCTOW-01

Product code: AME.kable.solaredge.03

The SolarEdge Tower/Tower Cable Set IAC-RBAT-5KCTOW-01 is designed for connecting multiple SolarEdge battery towers. This cable set enables effective connection of SolarEdge energy storage towers (blocks) and allows for efficient integration and management of the stored energy, optimizing the utilization of electrical energy in the photovoltaic system.
