

## FoXESS R100

Product code: **F.FOX.3F.wifi.01000.R100**

Manufacturer	<b>FOXESS</b>
Inverter type	<b>On-grid</b>
Inverter phases	<b>3</b>
Ethernet	<b>-</b>

The R series inverters are designed for commercial installations. Thanks to unparalleled efficiency and versatility, we achieve higher energy production yields and longer daily operating hours of the power plan

## Product description

The R series inverters are designed for commercial installations. Thanks to unparalleled efficiency and versatility, we achieve higher energy production yields and longer daily operating hours of the power plan

Advantages of the FoXESS R100

- Monitoring of the current of each string of the P
- AFCI function
- PID recovery
- LED indicator, Wi-Fi + application
- IP66 and C5 protection

Input current 13A/26A - compatibility with bifacial  
Technical specifications of the FoXESS R100 inverter:

Maximum Input

Start-up Voltage [V]:

Operating Voltage [

Number of MPPT: 9/
