Product description

The Trina Solar Vertex N TSM NEG18R.28 500Wp (BFR EVO2) module is an efficient solution for commercial and industrial applications, offering 500 W power with TOPCon technology and n-type cells. Equipped with double glass and a black frame, it ensures durability in harsh weather conditions and high resistance to moisture and corrosion. Compatible with popular inverters, it comes with a 25-year product warranty and a 30-year output warranty.

Peak Power: 500 W

Cell Technology: TOPCon, n-type cells

Module Efficiency: 22.5%

Dimensions: 1961 x 1134 x 30 mm

Weight: 23.5 kg

Structure: Double glass, black frame

Weather Resistance: High moisture and corrosion resistance

Warranty: 25 years on product, 30 years on output power
