Product description

Trina Vertex S+ TSM-NEG9R.28 450Wp is a high-performance solar panel with an efficiency of 22.5%. Featuring BFR and EVO2 technologies, it offers durability in harsh environmental conditions and low power degradation—1% in the first year and 0.4% annually thereafter. The panel has 144 monocrystalline cells and is designed for compatibility with mainstream inverters and mounting systems. Dimensions are 1762 x 1134 x 30 mm, and it weighs 21 kg. It comes with a 25-year product warranty and a 30-year linear power warranty.
