Product description

**JA Solar JAM54D41-440LB (FB) Bifacial** is a state-of-the-art 440W solar module that offers exceptional efficiency at 22.02%. Thanks to bifacial technology, the panel absorbs light from both sides, enhancing energy output. Its sleek, full black design makes it ideal for modern installations. The panel weighs 22 kg and measures 1762 x 1134 x 30 mm. It comes with a 25-year product warranty and a 30-year performance warranty, ensuring long-term reliability.
